- Comments: My moving experience was EXCELLENT! I had only used a moving company once before & it was a NIGHTMARE!! I cried for days after the experience because of the damage & unprofessionalism exhibited by this "company". I was very skeptical to move again until a friend suggested Flatrate. I was very pleasantly pleased & surprised with the company as a whole as well as with my movers, Joseph & Eduardo. They were very prompt, courteous, attentive & professional. I will definitely use Flatrate again when I move back East. Thank You for making me a believer!
